PTS **FIBRE** based solutions

PTS WORKSHOP

Mastering PPWR for Paper and Board

Date
Tuesday, 16.03.2027

Fee
490,- €

Chairs
Dr. Antje Harling
Kristin Lieber
Marie Geißler-Krell

Location
Online Event

Includes
- Seminar and Q&A
- Evaluation and discussion on the assessment of packaging examples
- Presentations for Download

PTS **FIBRE** based solutions

PTS WORKSHOP

Mastering PPWR for Paper and Board

Tuesday, 16.03.2027

09:00	**Welcome & Introduction**
09:15	**Packaging and Packaging Waste Regulation – Relevance for fibre-based packaging – What requirements have manufacturers and users to meet?** • Background on the history of the PPWR (European Green Deal, etc.) • Chronology and deadlines (outlook and delegated acts) • Structural framework of the PPWR with a focus on fibre-based packaging • Differentiation of responsibilities between economic operators according to PPWR • Links and overlaps with other European regulations – e.g., REACH, SUPD • Overlaps with German regulations – e.g., Packaging Right Implementing Act (VerpackDG) including ZVS Minimum Standard (Mindeststandard) • PPWR regulations on the material composition of packaging *Dr. Antje Harling – Materialprüfung und Analytik*
11:15	**Pause**
11:30	**Recyclability of paper-based packaging** • Design for Recycling (DfR) • Recycling at Scale (RaS) • Identification of separate and integrated components using packaging examples • Orientation based on Minimum Standard *Marie Geißler-Krell – Recycling*
12:30	**Lunch Break**
13:00	**Workshop using practical examples of paper-based packaging** • Identification of packaging types and roles according to PPWR using packaging examples • Preparation of technical documentation and declaration of conformity • Packaging minimization versus product protection • Labeling on packaging and digital *Kristin Lieber – Materialprüfung und Analytik*
15:00	**End of the workshop**
